

WANT TO SAVE MONEY ON YOUR COMMERCIAL FISHING BOAT?

FREE WORKSHOP: Saturday, October 29,
noon - 2pm

Westmark Hotel, Lunch provided

Do you own a commercial fishing vessel?

Want to save money and fuel?

Learn practical steps fishermen can take to save fuel and money. Workshop information is based on audits conducted on Alaskan fishing boats over the past 3 years. Come talk to a marine engineer with decades of experience improving the efficiency of systems onboard commercial vessels.
